

DEMOCRATS WILL COMPLETE TICKET

City Committee Meets Tonight to
Fill Vacancies for City
Offices.

FUSION IN ALL THE WARDS

Councilmanic Ticket to be Arranged
At Meetings to be Held
This Evening.

The Democratic city committee meets at 8 o'clock tonight in the law office of Moyle & Van Cott to complete its ticket. A treasurer and a recorder are to be named to fill the vacancies caused by the withdrawal of A. N. McKay as recorder and Byron Gros as treasurer. It is understood that the candidates named will be favorable to the Citizens' movement and that they will be endorsed by that organization. As the ticket now stands, William R. Wallace is the nominee for mayor, Thomas Marionneau for city attorney and William J. Bateman for auditor.

Mr. Wallace has already been endorsed by the Citizens' organization and when Mr. Bateman declined to run he was prevailed upon by both the Democrats and Citizens to remain on the ticket. He finally decided to accept the nomination, and it is understood that his resignation will be withdrawn.

Frank W. Sprague, mining editor of The Herald-Republican, has been spoken of favorably as the candidate for recorder on the ticket. He is backed by the Democrats as well as the Citizens and his name, it is said, will be present to the committee tonight for consideration.

So far no candidates have been spoken of for the treasurer. The city committee will probably submit the candidates named to a nominating committee to discuss the matter and arrive at some conclusion with the Citizens.

There will undoubtedly be fusion in the wards on the councilmanic ticket. The city committee has delegated the power to the ward organizations to arrange for that part of the ticket. After the general ticket is named, the ward committees will get together and decide upon the candidates.

The Republican city committee met last night and made arrangements to fight a campaign. Three details were discussed and decided upon.

The ward committee in the Fourth precinct will meet tonight to name a successor on the councilmanic ticket to fill the vacancy caused by the resignation of the Rev. F. B. Short. The Fifth ward committee will meet tonight to name two candidates for the council, the Rev. Elmer J. Goshen having resigned last Monday making the second vacancy in the ward. When these candidates are named the Republican ticket will be complete, and the dates of the ward and general rallies will be announced.

The Incomparable "Estate Oak"

Estate Oaks are known as the best fire keeping stoves in this country. It is now nearly seventeen years since this stove was placed on the market and since then over half a million of them have been put into use. THE ESTATE OAK WILL MAINTAIN AN EVEN HEAT FROM THE TIME IT IS SET UP IN THE FALL UNTIL IT IS TAKEN DOWN IN THE SPRING by simply giving it a little attention twice in twenty-four hours.

IT WILL HOLD FIRE FOR FIFTY HOURS WITH ONE CHARGE OF FUEL, AND WILL GIVE THE SAME EVEN HEAT DAY AND NIGHT WITH ORDINARY SOFT COAL AS CAN BE HAD FROM THE USE OF ANTHRACITE COAL.

A FEW OF THE EXCLUSIVE FEATURES OF THE ESTATE OAK:

- PATENTED SCREW DRAFT REGISTERS.
- PATENTED STRENGTH SINGLE FIRE POT.
- PATENTED JOINTLESS ASH BOX.
- PATENTED ANTI-BUCKLING RING.

We have sold in this city and vicinity over ten thousand of these heaters during the past fifteen years, every one of which has been guaranteed, and none of which has been returned. We are certain of our

ability to please you with this Celebrated Heater and will give you a positive guarantee with each one.

ESTATE OAK AIR-TIGHT RADIATOR

The Estate Oak Air Tight Radiator is a splendidly carved, gracefully formed and finely modeled and mounted specimen of a square parlor heating stove. It is practically an Estate Oak stove placed within a perforated envelope, or jacket, as shown in the illustration. This is also a guaranteed Heater and is one of the many patterns we carry in the Estate Line.

We carry a complete line of heaters ranging in price from \$7.00 to \$50.00. If you haven't the money we can arrange satisfactory terms.
